

COVID-19 Specific Resources

COVID-19 has disrupted many of our routines and accessibility to resources. In this handout you will find resources offered as a response to COVID-19.

COVID-19 Hotlines

1-855-600-3453

The state has set up this hotline for health questions related to COVID-19.

1-833-551-0518

The state has set up this hotline for non-health related COVID-19 questions and requests, i.e. help regarding child care, food, supplies, and loss of income.
